

The Cause of Sin

The Curse of Sin

The Cost of Sin

How has the fall and sin in my life affected the way I view the world around me? How has the fall and sin affected my view of myself?

Do I see sin as the root cause of all that is wrong in the world, or something else? What are the implications of this in my life?

Do I need to have the effects of the fall addressed in my life? In what areas specifically?
